

Dear Friends,

The fairboard would like to thank you for all your support over the years. It is with your financial and physical assistance the Russell County Free Fair is one of the best fairs in Kansas. The fair board is in the planning stages for the upcoming county fair entertainment, sponsorship of the special award in departments and is in need of your help. *To keep the WEEE Carnival again this year & keep wristbands @ \$15, we signed a 5yr contract and had to up our share from \$12,000 to \$17,000. Please consider adding a little extra to your sponsorship.*

The fair is a great attraction to place your name and/or business logo in front of current and potential customers. We can help you do just that at the fairgrounds during fair week, in printed material and at our fair website for the entire year. Last year 8000 different computers visited our website 13,000 times. There were also 250 fair books and 3,000 brochures printed. See back of form for additional information.

Let's make 2020 a success for the Russell County Free Fair and your business!
Please make changes to Name or address if needed and return by April 1, 2020 to get your name in the fairbook.
